Description of Work:

Amendment 001 - Amendment 1 increases the ceiling from \$140,000.00 to \$450,000.00 to cover tasking during response efforts longer than originally assessed to be needed.

Amendment 1 amends the SOW to include the following:

1. Contractor shall provide as directed safety support and data management/equipment management support.
2. Contractor shall conduct cost recovery utilizing RCMS at a frequency of weekly or as determined necessary by WAM/OSC.
3. Contractor shall provide boat/water operations capability.

Base ORIG - The initial funding ceiling for this TDD is set at \$140,000. When available, all TDD costs shall be invoiced against the oldest 6A00E or 6A00S task order funding.

The contractor shall use SSID A6SN on all forms, reports, emails, communications, and deliverables.

Adam Adams will be the primary COR for this TDD and Steve Mason, Matt Loesel, Eric Delgado will be the alternate CORs.

On 3/17/19, the EPA activated START contractors to conduct a tier 2 response for an ITC tank fire in La Porte, Texas.

The contractor shall conduct a tier 2 response for an ITC tank fire in La Porte, Texas. In addition, the contractor shall:

1. Summarize and report tabular data from deployed resources.
2. Produce maps and GIS products to facilitate data acquisitions by deployed resources.
3. Support REOC with data management support and production of deliverables.
4. Provide written and photo documentation of the response effort and incident.
5. Perform all duties consistent with the NCP.
6. Perform air monitoring at mobile and/or stationary locations as directed.
7. Collect multimedia samples (gas, liquid, solids) as directed.
8. Complete QASPs and HASPs
9. Conduct 24 hour operations as directed.
10. Complete an Emergency Response Report at the conclusion of Site activities, coordinate with TM/WAM for timeline and format.
11. Provide data management in the field and REOC as directed.
12. Review/comment on PRP/RP workplans, site documents submitted, and response documents as needed.
13. Provide technical support for response activities, public meetings, agency meetings, as directed.
14. Provide analytical services.
